CELEBRATING ACADEMIC, ATHLETIC AND SOCIAL ACHIEVEMENTS IN OUR SCHOOL

GR. 1 SPORTS CLUB

LEADING BY EXAMPLE

Did you know that our school has been running student-led clubs for years? Students from grades 4, 5, and 6 have the opportunity to create and run a club for our grades 1, 2, and 3 students. They submit an application to lead a club. Students work in a team to create their ideas, determine the target grade, and request a staff member to assist.

CITIZENSHIP IN ACTION

Dodgeball Club's entry fee this month was a donation to the Leduc Food bank. Building connections with community partners and developing strong citizenship skills within our students.

LEADERSHIP PIPELINE

Student-led clubs are a great leadership opportunity for our older students to prepare for the workforce and discover their areas of interest. In turn, this allows our younger students to participate in a wide variety of fun activities.
